

# SPATIAL

## CUBE

### TECHNICAL DESCRIPTION

The SPATIAL CUBE luminaire is an amazing piece of design, featuring a regular polyhedron with six identical faces. The cube is a symbol of a "beautiful place." Our lamp is the perfect solution for your next project. This is the perfect solution for any setting, whether it's a commercial space like a lobby or reception area, or a private space like a living room or kitchen. It looks absolutely amazing in the bathroom! And the great news is that we can manufacture cubes of virtually any size.
